

*We want to build and launch rockets,
that's what we are here to do.*

Daily Update: Today we passed a proposal in the morning, and ULA responded this evening. We're still far apart on wages and sick time but we are seeing movement. Your Solidarity on the shop floor is making a difference at the bargaining table, so keep it up. Stay strong and stay informed. **Your voices are being heard at this table.
We are here representing you!**
