

*We want to build and launch rockets,
that's what we are here to do.*

Daily Update: Negotiations have concluded and the ULA has just given us their last, best and final offer.

Your Negotiating Team is recommending ratification of this contract to the membership.

We will spend the evening working out the final details and checking for any inaccuracies. Once we have accomplished that, we will put out a summary as soon as we can. We could not have done this without your input, faith in this committee and your Solidarity back home. You should be proud of the work that's been done at this table to take care of our Brothers and Sisters for the next three years.

*IT HAS BEEN AN HONOR AND A PRIVILEGE
TO REPRESENT YOU AT THE BARGAINING TABLE.*
